Arrival & Departure

Arrival

On arrival at the festival, please report to the **Box Office**, where a steward will:

- Check you in.
- Escort you to your glamping accommodation.
- Carry out an initial condition check with you.

Departure

Before leaving the festival, you must check out at the **Village Hall**, where a steward will:

- Inspect the accommodation.
- Confirm whether there is any damage or missing items.

If you leave without checking out and damage is later identified, you may be held responsible for repair or replacement costs.

Care of the Accommodation

We ask all glamping guests to treat the accommodation with care and respect. Take reasonable care of all furnishings and equipment.

Report any breakages, damage, or accidents to a camp steward as soon as they occur.

Inside the Tents

The following rules apply **at all times**:

- Shoes and boots must be removed before entering the tent.
- No cooking is permitted inside the tent.
- Smoking and vaping is strictly prohibited.
- Tea lights, candles, incense, or **any open flames** are not allowed.

These rules are in place for **fire safety, hygiene, and the comfort of all guests.**

You are responsible for the glamping accommodation and its contents for the duration of your stay.

Please:

 - Additional cleaning required due to spillages, food waste, excessive mud, or similar issues.
-

Damage Deposit

A **damage deposit** is paid at the time of booking and will be refunded shortly after the festival, provided that:

- No damage or loss is recorded.
- No additional cleaning is required.

Important notes:

- Evidence of smoking or vaping inside a glamping tent will result in the **full deposit being retained.**
- If repair or replacement costs exceed the value of the deposit, you will be contacted to arrange payment of the outstanding balance.

If deductions are made, you will be informed, and any remaining balance will be refunded.
